## The home

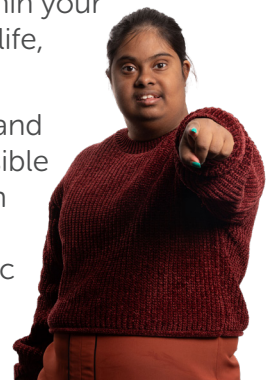

This brand new duplex has been designed to the Platinum level of the Livable Housing Australia Design Guidelines. It has been built above and beyond what is required by legislation for Fully Accessible, Specialist Disability Accommodation (SDA).

- The home is fitted with modern safety features, including Tunstall Assistive Technology. It has wide doorways and hallways and automatic height adjustable bench top, making it accessible for wheelchair users.
- All bedrooms are spacious and include a built-in wardrobe, fan, air-conditioning unit, and private patio.

## Is this the right home for me?

We help you find the right match with housemates so you can make lifelong friendships. We also encourage you to be involved within your community, build an active social life, get out and about and have fun!

Not only is this home brand-new and modern, but it is also easily accessible to everyday essential services such as shopping centres, cafes and restaurants, medical centres, public transport, and gyms.

**Funding** - To apply for this vacancy, you will need funding for Supported Independent Living (SIL) in your NDIS plan. Talk to us today and we can help guide you through the NDIS process.
