## Is this the right home for me?

During the week this is a pretty busy household. Current housemates enjoy being active and spending time out and about in the community.

- In the early afternoon, everyone is home to share in the routines of household activities like cooking.
- The ideal new housemate for this residence will enjoy participating in household activities like cooking, watching movies and listening to music.
- You will be friendly and enjoy interactions that aren't too loud.
